Police Commissioner Edward S. Piggins
1300 Beaubien Street
Detroit 26, Michigan

Dear Commissioner:

This is to advise you that the Housing Commission plans to move two additional Negro families into Herman Gardens on Tuesday, November 29, between the hours of 8:30 a.m. and 3:00 p.m.

In accordance with our usual procedure we are enclosing summaries about each of the families. It is my understanding that you have already checked and determined that there is no police record for members of these families.

We had originally planned to move an additional Negro family to Charles Terrace at this time but are unable to do so because the family we had in mind is leaving the country. We shall notify you as soon as further plans for integration are made.

If you desire any additional information, please do not hesitate to call on us. May we again thank you for your splendid cooperation.

Sincerely yours,

DETROIT HOUSING COMMISSION
